# **UNIVERSITY OF PADOVA – ITALY POSTGRADUATE OFFER**

UNIVERSITÀ  
DEGLI STUDI  
DI PADOVA

Padova

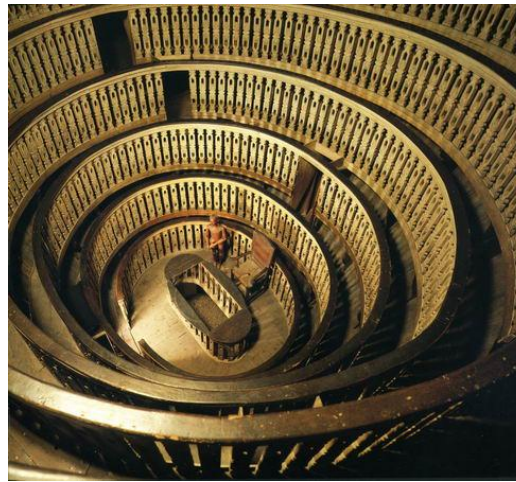

# The University: Facts and Figures

A budget of over € **603** million  
**100** million € / year for research (external and internal)  
**61,000** students  
**12,000** graduates each year  
**2,054** professors & researchers  
**2,227** technicians & administrative personnel

**78** 1st cycle degree courses  
**81** 2nd cycle degree courses  
**11** single cycle degree courses  
**40** 1<sup>st</sup> and 2<sup>nd</sup> level  
short specialisation degree courses

Founded in **1222**

**49** Specialisation Schools  
**43** Research and Service Centres  
**14** Halls of Residence  
**16** University Canteens

**32** Departments  
**1** University Hospital  
**1** Veterinary Hospital  
**1** Experimental Farm  
**1** School of Excellence

## Mobility at Padova 2013-14

Programme	Mobile students
Erasmus	1.990
Erasmus Mundus	244
Bilateral Agreements	128
Other joint degrees	33
Ciencia sem Fronteiras	143
<b>TOTAL</b>	<b>2.538</b>

Including other programmes: total **3.300**

# **Master programmes – English Language**

## **School of Agricultural Sciences and Veterinary Medicine**

- Forest science
- Italian food and wine

## **School of Economics and Political Sciences**

- Business administration
- Economics and finance
- Human rights and multi-level governance

## **School of Engineering**

- Environmental engineering
- Mathematical Engineering

# Master programmes – English Language

## Education, University and Research

- School of Human and Social Sciences and Cultural Heritage
- Local development
- Local Development - STeDe Erasmus Mundus programme, in English and French
- Historical Sciences- TPTI Erasmus Mundus programme, in English and French

## School of Medicine

- Medical biotechnologies
- Pharmaceutical biotechnologies

## School of Psychology

- Cognitive neuroscience and clinical neuropsychology

## Research at Padova

**Ranked first** among 102 Italian higher education and research institutions for the quality of research results (report by the **National Research Assessment – ANVUR**).  
Score: “excellent” in 12/20 disciplines and scientific areas.

**Among the top three** Italian Universities for **total impact, productivity, and presence index** (no. of quotations of articles and publications by its researchers, ISI).

**Increasing public and private funding** allocated to research:

- ca. 5.2% of overall national public funding for scientific projects of Padova researchers
- growth by 40% of EU funding for research over the last three years

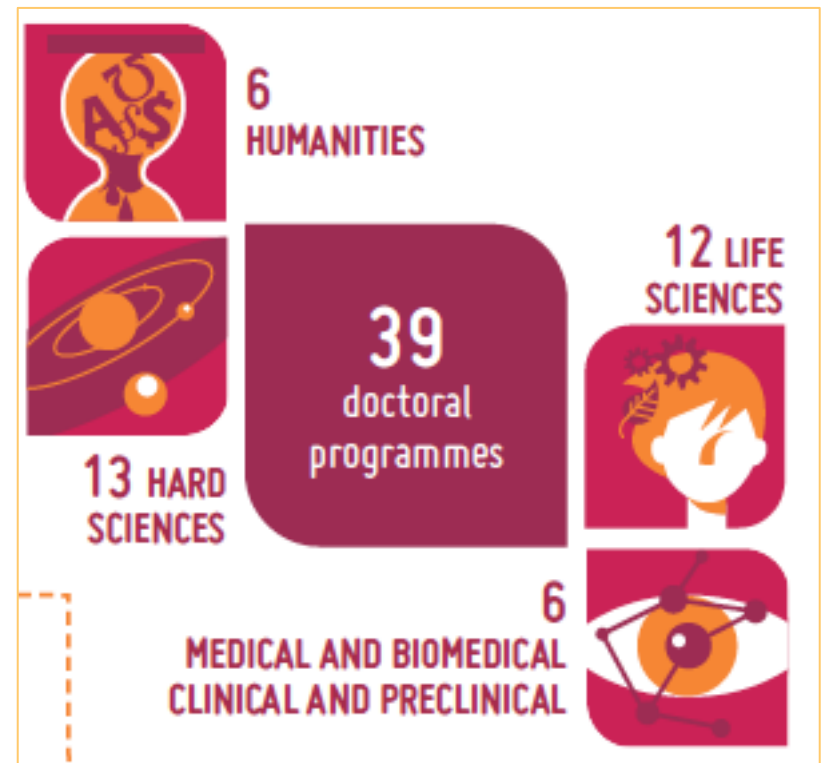

Contribution to **local growth** through contracts with public and private bodies for experimental activities.

**32% of university departments income** from **commercial research services**.

## Research at Padova – Doctoral programmes

**1,500** doctoral candidates  
per year

**39** Doctoral degree  
programmes (2015/16)

# Research at Padova – Doctoral programmes

- Hard Sciences
- Life Sciences
- Medical and Biomedical Sciences / Clinical and Preclinical
- Humanities

## **PhD programmes – Hard Sciences**

- **Astronomy - language: English**
- **Civil and Environmental Engineering Sciences - language: English**
- **Earth Sciences - language: English**
- **Fusion Science and Engineering - language: English**
- **Industrial Engineering**
- **Information Engineering - language: English**
- **Mathematical Sciences - language: English**
- **Mechatronics and Product Innovation Engineering - language: English**
- **Molecular Sciences - language: English**
- **Physics - language: English**
- **Science & Engineering of Materials and Nanostructures - language: English**
