- » The classes in these programs are taught entirely in **English** and you can earn up to **30 ECTS** in each three-months program.
- » Each program contains a **ready-made set of courses**, so there is no hassle of trying to get into the different courses, no add and drop etc.

Courses for Exchange Students

- » In these programs, you will join DHBW Mosbach students, so there will be an **intercultural mix of students in class**.
- » As we keep the number of students low for each program, you will get to know everyone very well and grow into one **tight group** during your stay here.
- » The program includes **excursions, cultural events and company visits**, so you will have ample time for fun and adventure.
- » Each program also includes an **Intensive German language course**.

Courses for Exchange Students

- » Our two campuses in **Mosbach** and **Bad Mergentheim** are located in small towns with wonderful **medieval city centers**.
- » From here, you can **explore Germany and Europe**: Bigger cities (like Stuttgart or Mannheim), tourist magnets (like Heidelberg or Würzburg) and airports (Stuttgart, Frankfurt) can be reached by train.
- » We organize **housing** for all our exchange students, all you have to do is turn up, sign the lease contract and then pay the deposit and a monthly rent.
- » You can find out everything you need to know about your semester abroad with us on our **website for exchange students**: international.mosbach.dhbw.de/exchange-students.html
